

# COMPETITION COMMISSION

## Deputy Director Financial Analysis

Circa £70,000 plus benefits

**The Competition Commission aims to be a world class investigative authority with a positive influence on UK economic performance and productivity, and on quality and choice for the consumer. The vital role the commission plays in ensuring competition in the marketplace is achieved via conducting in-depth inquiries into mergers, markets and regulated utilities.**

The Commission is seeking to appoint an outstanding individual at senior level to support the Chief Financial Adviser. The role is based in Central London and offers the opportunity to

work on a range of fascinating commercial inquiries and includes the following responsibilities:

- Providing high level financial advice and analysis on issues arising on inquiries to the members of the Commission and to other staff including inquiry directors, economists, lawyers and business advisers.
- Assisting in the leadership, management and development of the financial analysis group consisting of ten qualified accountants.
- Ensuring the quality of financial analysis on inquiries is to a high standard.
- Contributing to the wider management issues within the Commission as a senior member of the management team.

Applicants must be qualified accountants with a strong academic record, a minimum of five years post qualification experience gained within practice, industry or banking and can demonstrate;

- Strong analytical skills and sound judgement.
- Proven track record of people management and leading teams delivering projects to strict deadlines.
- First class all round project management and organisational skills.
- Excellent communication and interpersonal skills.
- A consultative style and ability to work well in multidisciplinary teams.
- Personal resilience and the ability to work under pressure on high profile issues.
